## Web Site relaunched

We are pleased to let you know that our Web Site ([stithiansshow.org.uk](http://stithiansshow.org.uk)) has today been relaunched with a new fresh appearance and more intuitive menu structure.

At this time of year certain aspects, such as the Kelly's and Newell's Entertainment Areas and Cornish Mutual Countryside Area, are still to be fully finalised and details of those will be added as soon as possible.

We hope to add the first few schedules to the site very shortly but these are currently awaited from the printer. Schedules will then be added as they are produced by the printer over the next couple of months.

This is the first major overhaul for several years and every effort has been made to ensure that it is accurate and fully functional. There is an A-Z index as well as the menu and some Frequently Asked Questions (FAQs) can be found under the menu item “about”.

If you should find anything that appears strange or have ideas for additional information that you would wish to see and which is not apparent on the site or in the FAQs please do contact our Webmaster, Vyv Toms ([vyv.toms@stithiansshow.org.uk](mailto:vyv.toms@stithiansshow.org.uk)).

Further eNewsletters will be issued to advise when schedules are available and we will also let you know the entertainment line ups once they are further advanced.

We hope you will enjoy using our new site.
