

Rabbit Section

Some very sad news from the Rabbit Section of the Show.

There have been two outbreaks of the very virulent Viral Haemorrhagic Disease, in Devon (Dawlish and Teignmouth).

As a result the Section has taken the difficult, but eminently sensible, decision to cancel the Rabbit Section for 2016 rather than have a depleted section and certainly to avoid any likelihood of avoidable spread.

We are advised that there is no risk to human health.

It is very much hoped that the Rabbit Section will be back in full force next year.

In the meantime we take this opportunity to wish all our Rabbit Section volunteers, breeders and exhibitors a speedy return to a disease free state.

Naturally there will still be masses to see and do at Stithians Show on 11 July 2016. We hope to see many of you there.
