

STITHIANS SHOW 17 JULY 2017

Looking forward to seeing you all on Monday.

Dozens of our volunteers are working hard on the Showground to make sure that you have a great day out on Monday.

Marquees are mainly ready, although a few, including the new Member's Marquee overlooking the main ring are not quite complete. They will be ready in good time.

Trade Stands are beginning to arrive and the usual pre-show buzz is building.

Car Parks are ready for the influx of visitors.

The weather is looking good for Monday.

The free bus service will again operate this year. For details please visit our web site or see our advert in the local papers.

These are operated by Williams Travel and you can buy your admission ticket on board to save queueing on arrival.

We welcome the many new members who have joined the Association this year and hope that all our members will enjoy the use of the new Members' Pavilion at the top of the main ring.

The sunflowers are all set to go on parade around the Showground.
