CORNWALL PRETTY MUDDY: RACE FOR LIFE SUNDAY 3rd SEPTEMBER

Cancer Research UK's Race for Life will be taking place in Stithians Showground on Sunday 3rd September.

We are hoping to see just under 2,000 ladies taking part in this 5k mud splattered obstacle event, raising funds for our life-saving research.

We simply cannot hold this event without our amazing volunteers and with only a small amount signed up already, we are sending an urgent plea for your support. If you were able to help us find another volunteer we would have enough to make this event a success!

If you would like to take part in the event or volunteer, please head to raceforlife.org to sign up or contact Area Event Manager, Amy Salmon on amy.salmon@cancer.org.uk or 07918 650610

Please contact the organisers on the email or phone number shown above if you are interested in helping.
